

EXPERT FE 0W-30**PRODUCT DESCRIPTION**

Vertex Expert FE 0W30 is a Fully Synthetic High Performance Light Diesel / Petrol Engine Oil providing the highest protection and performance in diesel and gasoline engines. With an SAE 0W-30 viscosity, the product provides unsurpassed all-season engine protection, even under the most severe climatic conditions. Vertex Expert FE 0W30 has been designed for diesel and gasoline engines utilising extended oil drain intervals. Advanced additives prevent oil degradation by keeping the lubricant within OEM specifications during long service intervals.

APPLICATIONS & BENEFITS

- Offers advanced fuel economy engineered to provide outstanding protection and longevity of all critical engine parts.
- Utilises advanced additive technology providing superior thermal and oxidation stability.
- Highly engineered to provide maximum protection for modern engines that operate with tighter tolerances
- Excellent overall lubrication and wear protection performance for many driving styles and conditions, from mild to severe, where a 5W-30 or 0W-30 is recommended.
