

#### PRODUCT DESCRIPTION

Vertex Air Dry Parts Wash is a quick drying, residue free, cleaning solvent and degreaser for rapid cleaning. The product is formulated contains a mix of Toluene, Hexanes, and other solvents. These are blended to create an effective metal surface cleaner that dries off almost immediately and leaves no residue. Vertex Air Dry Parts Wash is an effective and quick cleaner providing fast removal of oil, grease, tar, wax, carbon, and containments. Vertex Air Dry Parts Wash has a patented evaporating action that leaves a clean, clear, dry surface.

#### APPLICATIONS & BENEFITS

- Cleaning of electrical components.
- Cleaning of general metal components.
- Cleaning of heavily soiled surfaces.
- Fast removal of oil, grease, tar, wax, carbon, and contaminants.
- Fast evaporation leaves a clean dry surface.
- Designed for use in any application needing a fast drying, residue free cleaner or degreaser.
