

BSP CLEANER**PRODUCT DESCRIPTION**

Vertex BSP Cleaner is a concentrated residue free de-aromatised cleaner. BSP Cleaner is suitable for use on brake and clutch linings, automotive parts, pre-assembly cleaning, CV joint cleaning and as a general parts cleaner. Vertex BSP Cleaner is also suitable for use on most rubber, plastic, and painted surfaces. The product is manufactured from specialist de-aromatised hydrocarbons, which are safer to use than traditional solvent cleaners.

APPLICATIONS & BENEFITS

- Safer to use than traditional solvents due to the use of de-aromatised hydrocarbons.
- Vertex BSP Cleaner is formulated to remove oils, grease, brake fluids, tar, adhesives, dirt, and moisture from industrial and mechanical equipment.
- Vertex BSP Cleaner cleans and degreases brakes, clutches, disc brakes and callipers without the need for disassembly.
- Vertex BSP Cleaner is an effective heavy-duty cleaner, and degreaser used to penetrate and dissolve build ups caused by grease, grime, dirt, oil, fats, and equipment operation.
- Vertex BSP Cleaner is a general parts cleaner which leaves no residue after cleaning off contaminants.

PACK SIZES AVAILABLE

750ML Aerosol - 20L Pail - 200L Drum

ADDITIONAL INFORMATION**Directions for use**

Spray Vertex BSP Cleaner generously on surface to be cleaned. Ensure an even wetting of the surface then allow Vertex BSP Cleaner to drip dry as it is a residue free formulation. If needed, wipe surfaces with a clean cloth.
