

### COCKPIT CLEAN

#### PRODUCT DESCRIPTION

Vertex Cockpit Clean is a CFC free product that cleans and cares for all interior surfaces. Water-based and silicone-free. Low toxicity provides no health risks even with direct contact. Not designed for fabric applications.

#### APPLICATIONS & BENEFITS

- Suitable for use on clear and coloured plastic surfaces.
- Dash, gauge cluster, navigation, and audio screens.
- Shift knob, arm rests, steering wheel, leatherette (imitation leather) and finished (coated) leather.
- Very low toxicity formula.
- Streak free finish.
- CFC free (ozone friendly)
- Very fast cleaning formula
- Non static residue helps repel dirt and dust.
- Aggressive on grime without harmful toxicity.
- Leaves a shine-free, non-slip finish that repels dust.
- The mild cleaners remove dust and dirt but won't harm soft touch materials or painted plastic trim surfaces.
- Contains sun-blocking agents to maintain the original condition.
- Leaves a light, fresh citrus scent.

#### SPECIFICATIONS

- NZFSA C12
- NZFSA C13

#### ADDITIONAL INFORMATION

##### Directions for use

Shake aerosol can before use. Apply light spray and allow foam to settle. Wipe surface clean with a lint free cloth or paper towel. Use dry cloth to polish for optimum results. For bulk use, follow same instructions, but pour liquid into an atomiser bottle/dispenser first.

Designed for New Zealand Conditions | Manufactured from virgin base stocks. For more technical information please contact Vertex Lubricants NZ Technical Dept. +64 9 640 0004. Sheet updated 17 July 2023.
