

SOLVENT DEGREASER MT

PRODUCT DESCRIPTION

Vertex Solvent Degreaser MT is a heavy duty, emulsifiable solvent based degreaser. Manufactured specifically to lower harmful bioaccumulation. Vertex Solvent Degreaser is suitable for use in degreasing workshop floors, machinery, and equipment, including removing heavy oils and greases off parts and hoses and cleaning oil spots off concrete floors, paths, and driveways. The product is suitable for use in emulsion tanks for parts soaking and cleaning.

APPLICATIONS & BENEFITS

- Vertex Solvent Degreaser MT is an effective cleaner for degreasing and removing heavy oils and greases. Formulated for use in industry where heavy-duty degreasing is required.
- Vertex Solvent Degreaser MT is an effective degreasing product to remove grease and oil from engines and machines.
- Vertex Solvent Degreaser MT cleans tar and asphalt from painted surfaces without harming the finish.
- Lower bioaccumulation makes it kinder to the environment and increases worker comfort and Safety.

ADDITIONAL INFORMATION

Directions for use

Spray or Brush: Apply liberally to the surface. Scrub in well and/or allow to stand for approx. 5 minutes. Rinse off thoroughly with a strong jet of water. **Immersion Soak Tank:** Place article to be cleaned into solution and allow to soak for 15-30 minutes. Remove and rinse well with a strong jet of water. **Concrete Cleaning:** Apply liberally to surface and scrub in well with a stiff brush or broom. Allow to stand for 5 minutes and rinse off with a strong jet of water.
